The online store for your everything, your music, your videos, your games, your Beats by. Boyz N Da Hood (1991) A certified diamond by the RIAA, Boyz N Da Hood is a classic album from West Coast hip hop group Boyz N Da Hood, their debut album. In 1991, the album became a platinum-selling, multi-platinum album, and sold over two million copies. Over the course of the next four years, the album would garner 22 charting singles on the Billboard chart, including the #1 hits "Boyz N Da Hood," "Put On", and "Sucker MCs." With the exception of "Put On," every song in the trio's vocal spectrum charted, including the single "Boyz N Da Hood". The song "Sucker MCs", which was released as a single in 1992, was the group's most successful song, spending an unprecedented 31 consecutive weeks at #1 on the Billboard R&B charts. Boyz N Da Hood's self-titled debut album, Boyz N da Hood, is considered one of the greatest albums of all time in the hip-hop genre. It was ranked fourth in Vibe's "50 Albums That Influenced Hip-Hop". Rolling Stone listed the album as one of the 500 greatest albums of all time. It has sold over 2,000,000 copies in the United States and continues to sell well to this day. Boyz N Da Hood is notable in hip hop history for being recorded before the release of the Wu-Tang Clan's 1993 album Only Built 4 Cuban Linx and the Notorious B.I.G.'s only full-length project as a lead artist, Ready To Die.
